ALDER & RUSTIC ALDER

• distressing finish technique available

Alder is a softer wood than maple and cherry and can dent relatively easily, but offers a stable surface for stain. Both Alder and Rustic Alder's appearance can range from pale red to reddish brown. Rustic Alder will vary from rustic, with heartwood, mineral deposits, pin holes and sound, cracked or open knots, to relatively clear and unmarked.

HEIRLOOMING & DISTRESSING TECHNIQUES

HEIRLOOM

Add character and depth to select finishes with over-sanding on edges and profiles for a naturally worn-to-the-wood appearance that says old world charm. Available in the following finishes: Black, Honeysuckle, Juniper Berry, Moss, Oasis, Portobello, Sand Dune, Storm and Tidal Mist. See your dealer for availability on trim pieces.

DISTRESSING

Our distressing technique creates a finish with unique and appealing imperfections, such as dents, wormholes, chisel marks and other natural wear signs. Available on solid raised panel doors: Ainsley, Asbury, Brinkman, Carmin, Cortland, Galena, Harmony, Essence, Parker Chanley, Harper, Palmer, Gentry and Noble. Not available on Coconut, Dover, Pearl or White.
