## Benefits

Finish	NuOil - No recoat at time of install Best stain protection & color retention Completely VOC free 100% Renewable w/Warranty intact
Structure	MG2 - 2 Guaranteed sanding's Highest possible stability w/ slice cut faces Guaranteed Third Party Certification  Truecore - FSC certified Highest Green Certification Lifetime Structural Guarantee
Clean Air	CARB II - Surpasses standard by over 50%

## Features

Length:	Random up to 6'2"
Width:	7.5"
Thickness:	1/2" thick 2 mm slice-cut face Truecore Centerply
Surface Texture:	Lightly Wire Brushed
Finish:	NuOil
Usage:	Residential, EN31, EN 32
Edge Detail:	Handcrafted Microbevel
Warranty:	Lifetime Residential finish Lifetime Residential structural  3 year commercial finish 10 year commercial structural

## Color, Graining & Natural Changes

Wood is a natural product that features distinct color and graining. Each board is unique in its characteristics and will vary from piece to piece. The floor represents the natural visual characteristics of wood. Each board can vary from a clean to rustic visual and contain large to small filled knots, sap wood, small to large filled splits and a high contrast within the natural and lighter stained visuals.. These subtleties may become more distinct over time due to exposure to direct sunlight. Occasional rearranging of furniture and rugs will help reduce the potential effects of the sun.

Note: This sample may not be representative of your entire installed floor, for your reference and the latest updated information, please refer to [www.hallmarkfloors.com](http://www.hallmarkfloors.com) to see our online room scenes and project galleries.

## Maintenance

See Maintenance and Warranty Guide  
Carb II Compliant

## Installation

Nail Down

Glue Down

Float

Over Radiant Heat
